The walls of Jericho

So when the rams' horns sounded, the people shouted. When they heard the blast of the horn, the people gave a great shout, and the wall collapsed. Then all the people charged straight into the city and captured it.

Joshua 6:20, Berean Standard Bible

God gives Joshua a strange plan: march, blow the horns and shout. The walls of Jericho fall down.

How many times did the people march around Jericho on the seventh day?

Why do you think Joshua told the people to stay quiet until the shout?
