Name _____ Date _____

Customer survey sheet

For the student: before you sell, ask people what they want. Ask family, friends and neighbors you know, with a grown-up nearby. Make one tally mark for each answer. Color the pictures when you finish.

My product idea _____

Would you buy it?

	Tally	Total
Yes		
Maybe		
No		

How much would you pay?

	Tally	Total
$1		
$2		
$3		
More		

Which do you like best?

	Tally	Total
Choice A:		
Choice B:		
Choice C:		

Write the choices on the lines.

How much do you like the idea?

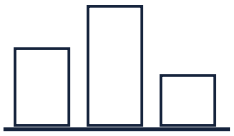

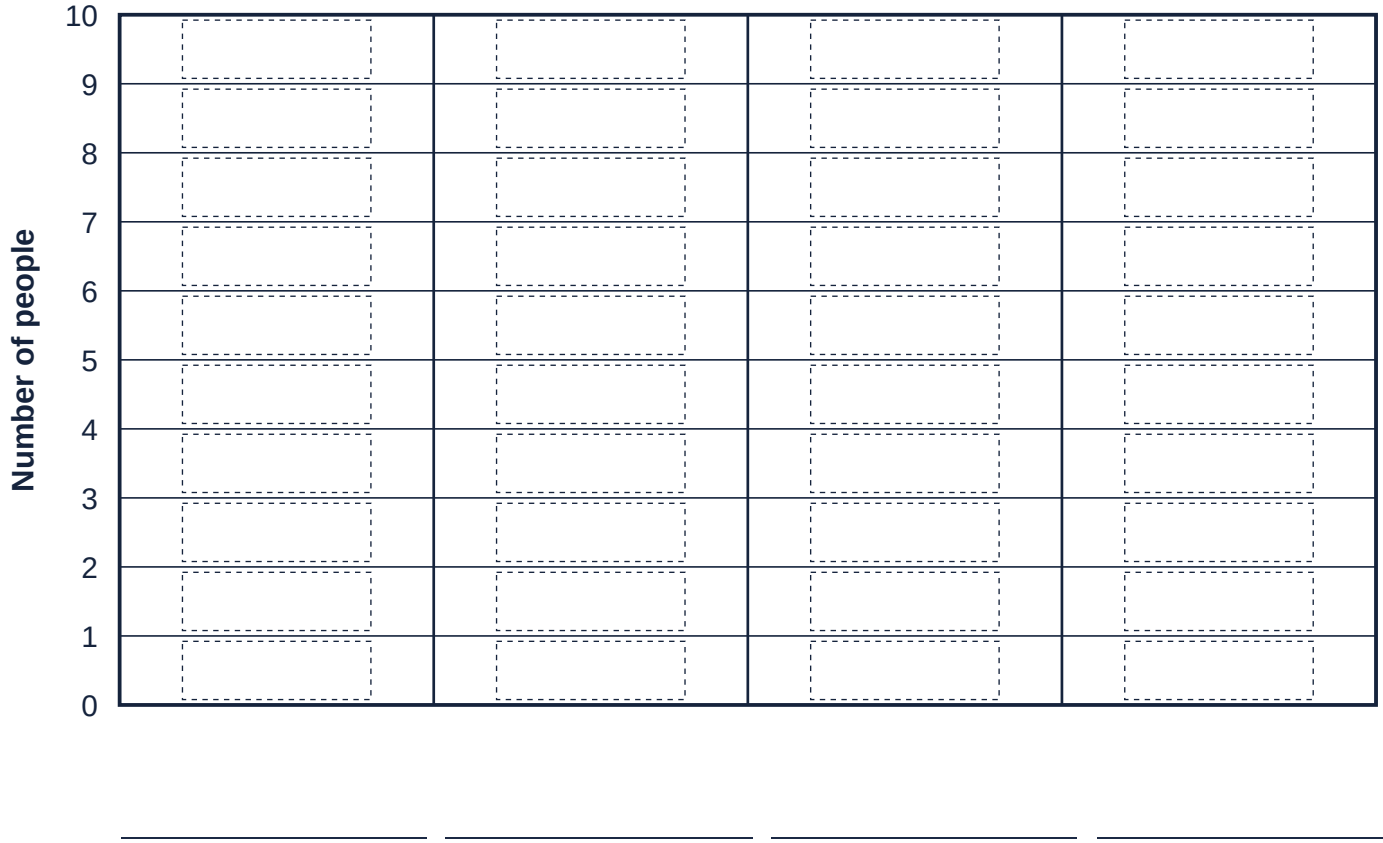

Tally

Name _____ Date _____

Graph your answers

Make a bar graph for question 1 or 2. Color one square for each answer.

_____ _____ _____ _____

What I learned

What I will change because of the answers
