 Name _____ Date _____

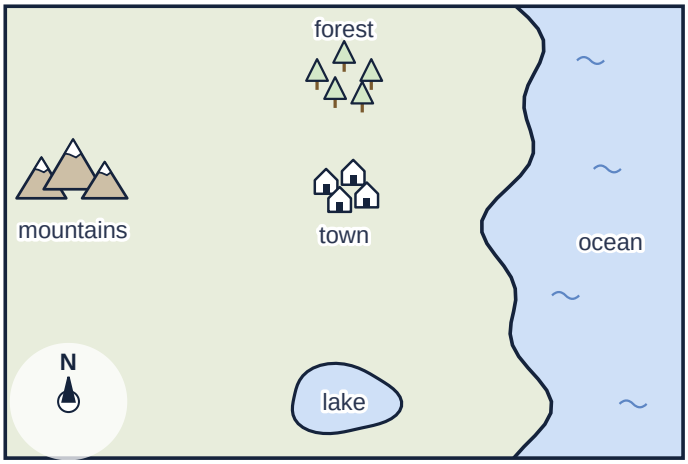

Compass rose: north, south, east and west

For students: write north, south, east and west in the boxes on the compass rose. Then look at the map and answer the questions. North is at the top of the map.

Compass rose

Map

Word bank north east south west

Places forest lake ocean mountains

Answer the questions

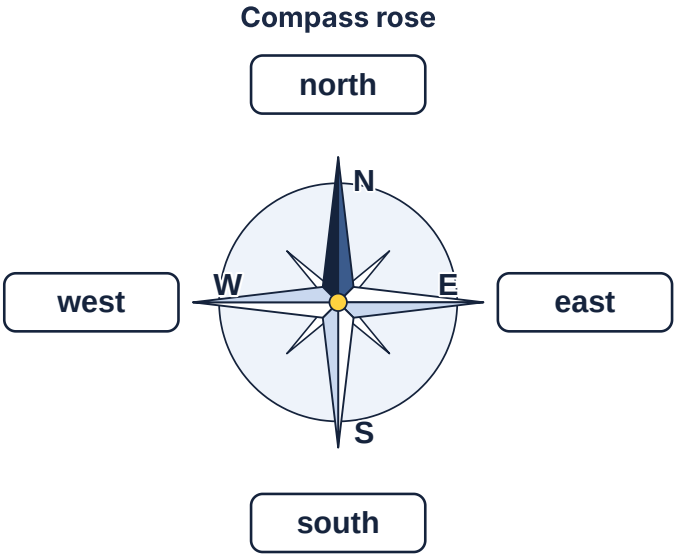

1. What is north of the town? _____
2. What is south of the town? _____
3. What is east of the town? _____
4. What is west of the town? _____
5. You walk from the lake to the town. Which way do you go? _____
6. You walk from the town to the mountains. Which way do you go? _____

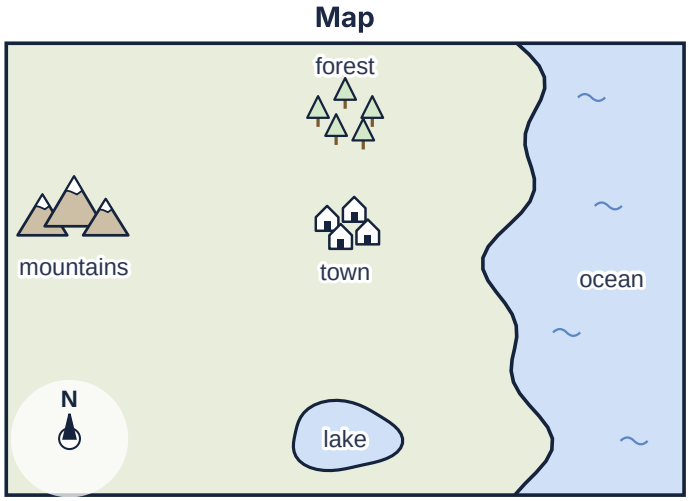

On most maps, north is at the top, south is at the bottom, east is on the right and west is on the left. A compass rose shows the directions on a map.
