Mais da UpOnly Learning

Aulas, prática e livros para todas as matérias.

Exercícios fundamentais de matemática
Livro 1 Adição, Livro 2 Subtração, Livro 3 Multiplicação, Livro 4 Divisão, Livro 5 Frações, Livro 6 Decimais, Livro 7 Porcentagens e razões, Livro 8 Números negativos e ordem das operações e Livro 9 Equações, 600 exercícios cada. Os livros 1 a 4, e os 9 livros, também vêm em pacotes.

Apostilas de prática
Apostilas para imprimir de todas as matérias e anos, com aulas e respostas explicadas.

Teste de nivelamento grátis
Um teste de nivelamento grátis que se adapta ao aluno e mostra por onde começar.

Recursos grátis
Folhas de prática para imprimir, amostras e guias grátis para famílias, professores, tutores e famílias que educam em casa.

Assinatura
Aulas na tela, prática e relatórios de progresso em todas as matérias, em inglês, espanhol e português.

"Todo estudante merece o que eu quero para os meus filhos: aulas claras, um passo de cada vez."

Dr. Evan J. Hasson, fundador
