- Gather 5 spoons or blocks.
- Print pages 2 to 5, or skip printing and use the no-supplies swaps.

Household supplies: Paper, crayons, 5 spoons or blocks. No supplies? Every card has a swap.

Safety

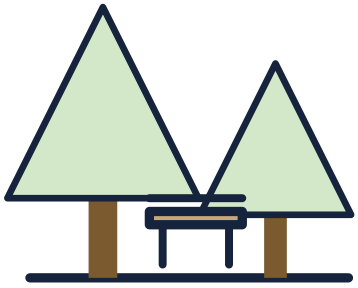

- Use objects too big to fit in your learner's mouth, and stay close during any counting or sorting with real objects.
- Water play only with an adult within arm's reach the whole time, even in a small tub.
- An adult handles anything hot or sharp, knives, and rocks or heavy objects.
- Dry beans and seeds only with an adult watching closely, and not with a learner who still puts things in their mouth.
- No scissors needed: tear paper instead. If you do use scissors, use child safety scissors with an adult right there.
- Choose crayons, markers and paint labeled for young learners (look for the AP seal).

Places to go

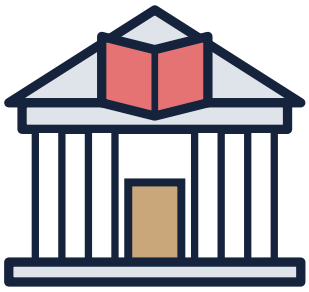

Say: "Where do we play? Where do we find books?" Your learner points to each place and tells you what we do there.

And at the end of the day I come home to you.

Actions: Wave hello and goodbye. **Try next:** Sing it on the way to a new place.
